

Are you wondering how season packages work? Get all the info.

What is a Sheldon season package?

Each season package is custom designed by you, when you pick 4, 6, or 9 shows from dozens of Sheldon presented events. By buying them together as a package up front, you save 10% - 20% on the total purchase.

How many seats do I get in a package?

A season package is the same number of seats for all of your selected events. If you want two tickets to one event in your package, all other events must have two tickets, no more no less. Here are a few scenarios:

Scenario 1:

Let's say you have 4 events you want to attend, and you're going solo. There will be one seat for each of the 4 events. Perfect! It's a 4 show package. You'll get that 10% discount, and have a blast meeting your neighbors.

Scenario 2:

Perhaps you and your significant other have identified 5 events you want to attend together, BUT there is an additional show that only you want to see. Since a package must have the same number of seats to each discounted event, you have 2 options:

- 1) Buy a 5 show package (10% discount) and then purchase a single ticket at regular price for that additional 6th show that your partner isn't so into.
- 2) OR, buy a 6 show package (that's now a 15% discount on all the shows) with two seats for each show, and invite a friend to come with you for that show your partner is missing!

Scenario 3:

Maybe you and 3 friends have all coordinated your schedules to attend 8 events together! For one of those events, your daughter is going to be in town, and you want to bring her and your 3 grandkids along as well. You will get an 8 show package (15% discount) with 4 seats to each show for you and your friends, and then ADD 4 buddy tickets for your family members who are joining you for that one special show. Your package still has 8 events with 4 seats to each event.

What does “Bring a Buddy” mean?

“Bring a Buddy” is the option to buy up to 4 additional tickets total at your discount to your package events. Maybe you are attending with your spouse for your regular package, and you would like to bring two friends along with you to two of your package events. You can buy those tickets at your package discount at any time. “Bring a Buddy” seats must be purchased through the box office. Only 4 buddy tickets per household!

What if I want to add more tickets after I have used my “buddy tickets”?

You definitely can, but each ticket will be at regular price.

I can no longer attend one of the shows included in my season package. Can I exchange those tickets?

Season package holders have 24 hours before the performance to exchange tickets at no fee!

How do I exchange a season ticket?

Stop in or call the Box Office at 651-388-8700 to exchange your ticket. The Box Office must have the original ticket before the exchange can occur. Season package holders have 24 hours before the performance to exchange tickets.

Contact the Box Office for more information 651-388-8700.
