

Am I really locked in a room?

Nope! The goal is not to escape — instead, you're solving a mystery! The game will take place on the Sheldon Theatre's stage.

Are there any age requirements?

We recommend ages 14+ (due to puzzle challenges, not content). Children under 14 are welcome with their families.

Is the game physical?

There are no physical challenges, but you should be prepared to move around as you search for clues.

Can I book a time not listed on the website?

Absolutely! If you want to have a private event, such as a birthday party or corporate event, just email boxoffice@sheldontheatre.org or call 651-388-8700, and we will work with you to schedule your experience.

How many people do I need to play?

We recommend 4 – 6 players. It's possible with as few as 2, and up to 8.

Will I have to play with strangers?

No! All bookings are private, so you don't need to worry about making new friends.

Do I need to make an advance reservation?

Yes, we require advance bookings (at least the day before), to ensure there is staff available.

What is your cancellation/refund policy?

There are no refunds for this event. However, if you contact the box office a minimum of 48 hours prior to your game, you may move your reservation to a time that better suits you.

How long does the game last?

Before the game, you'll get some brief instructions and an introduction — less than 15 minutes. Then you will have 75 minutes to solve the mystery. You'll also have a little time afterwards if you want to ask any questions.

Do I need to bring anything with me?

No! Everything needed to play the game is provided. Just bring your friends and your puzzle-solving skills.
