To **Audition**, prepare a **MONOLOGUE** and a **SONG**. Paper copies will be provided at the audition.

- **Monologues** (Paper copies available at the theatre box office)
The monologue does not need to be memorized completely, but try to impress the auditioners with your interpretation of the character. Use expression and volume. Have fun.

Song Choices: (Paper copies available at the box office)

If auditioning for a FEMALE role... Choose “If You Knew My Story” measures 35-72

Tips?

Don't **Apolo**gize****. It is OK to be nervous.

Be confident and relax. We want to cast you.

Check online for audition advice.

Don't be discouraged if you aren't cast in your dream role.

We need to see the total group to see who best fits where.
